SPECIAL INSTRUCTIONS:

Special instructions applicable to gifts (initial only one of the following in front of the appropriate sentence to have it apply):

 No Gift-Giving Power. My agent (attorney in fact) shall not have the power to make gifts.

 Gift-Giving Power Limited to Gift Tax Exclusion. I grant my agent (attorney in fact) the power to apply my property to make gifts, except that the amount of a gift to an individual may not exceed the amount of annual exclusions allowed from the federal gift tax for the calendar year of the gift.

Broad Gift-Giving Power. My agent (attorney in fact) shall have the power and authority to make gifts out of that portion of my estate that my agent determines is not required for my support during my lifetime to any one or more of the following persons or organizations without the necessity of any court approval or judicial action of any kind if my agent deems the gifts to be in the best interests of my family, for tax savings purposes or otherwise: (i) organizations to which charitable contributions may be made under the Internal Revenue Code and in which my agent reasonably believes that I have an interest; (ii) my spouse, any of my descendants, or any other person related to me by blood or marriage; (iii) any devisee or beneficiary under what my agent reasonably believes is my latest validly executed will or trust named in such will; and (iv) my agent, if my agent is eligible under either category (ii) or (iii) above. In exercising this power and authority, I remind my agent that he or she is acting in a fiduciary capacity.

ON THE FOLLOWING LINES YOU MAY GIVE SPECIAL INSTRUCTIONS LIMITING OR EXTENDING THE POWERS GRANTED TO YOUR AGENT:

Revocable Trusts: I give to my agent/attorney in fact the authority and power to establish a revocable trust or revocable trusts, solely for the benefit of me and my estate, and to assign and convey any or all of my estate (consisting of any property, real, personal or mixed, of whatsoever kind and wheresoever located and whensover acquired) into such trust or trusts and on such terms as my attorneys in fact shall deem proper and in my best interests; provided that any such trust shall be revocable and shall include a provision that it is revocable by an instrument in writing signed by me personally and not in any event by any personal representative (e.g., a guardian of my person and/or of my estate) acting on my behalf; provided further that any such trust shall also provide that if I am unable to personally revoke it, then it shall be revocable by my attorneys in fact solely in my favor and in favor of my estate. Any authority granted to my attorneys in fact under this item shall be limited so as to prevent this Durable Power of Attorney (i) from causing my attorneys in fact or any of them to be taxed on my income, (ii) from causing my attorneys in fact or any of them to have, hold, or possess a general power of appointment (as that term is defined in §2041 of the Code, as amended) with respect to any or all of my estate, and (iii) from causing my attorneys in fact or any of them to have any incidents of ownership (within the meaning of §2042 of the Code, as amended) with regard to any life insurance policies on the lives of any of my attorneys in fact.

Other Trusts: My agent shall have the power and authority to create any other trust or trusts for my benefit, naming my agent as trustee or, if my agent so chooses, naming a bank or trust company with assets under management of \$100 million or more as trustee, which trust may also benefit my spouse and descendants, and to transfer all or any part of my property or estate to the trust so created or to any existing trust of which I am a settlor, a beneficiary, or both, even though my agent may be the trustee.

Creation of Business Entities: I give my agents/attorneys in fact the authority to create such entities as my agent(s) deem to be in my best interests, including, but not limited to, Limited Partnerships, Limited Liability Companies, Corporations, etc., and to assign and convey any or all of my estate into such entities as my agents/attorneys in fact deem proper and in my best interests. Any authority granted to my attorneys in fact under this item shall be limited so as to prevent this Durable Power of Attorney (i) from causing my attorneys in fact or any of them to be taxed on my income, (ii) from causing my attorneys in fact or any of them to have, hold, or possess a general power of appointment (as that term is defined in §2041 of the Code, as amended) with respect to any or all of my estate, and (iii) from causing my attorneys in fact or any of them to have any incidents of ownership (within the meaning of §2042 of the Code, as amended) with regard to any life insurance policies on the lives of any of my attorneys in fact.

Safe Deposit Box: I give my agents/attorneys in fact the authority to initiate or terminate a Safe Deposit Box Rental Contract or for space in a vault on my behalf. My agents/attorneys in fact shall also have the specific authority to enter such safe deposit box or vault, and withdraw from, or add to, the contents.

Automobile Title: I give to my agent/attorney in fact the authority and power to apply for a Certificate of Title upon, and endorse and transfer title to, any automobile, truck, pickup, van, motorcycle or other motor vehicle, and to represent in such transfer assignment that the title to said motor vehicle is free and clear of all liens and encumbrances except those specifically set forth in such transfer assignment.

Substitution: I also give and grant unto my attorneys in fact full power to substitute one or more attorney in fact or attorneys in fact under my attorneys in fact, in or concerning any one or more of the powers herein, and such substitution at the pleasure of my attorneys in fact to revoke, hereby ratifying and confirming whatsoever my attorneys in fact or the substitute or substitutes of my attorneys in fact shall and may do by virtue hereof in the premises. I agree and represent to those dealing with my attorneys in fact (or the substitute or substitutes of my attorneys in fact) that this Durable Power of Attorney may be voluntarily revoked alone by revocation entered of record in the office of the County Clerk of any County in which the Principal owns a real property interest or rights.

Tax Matters: To prepare, sign, execute and file reports, returns, extensions, declarations, forms and statements for any and all tax purposes including income, gift, real estate, personal property, intangibles tax, single business tax, or any other kind of tax whatsoever, to pay such taxes and any interest or penalty thereon or additions thereto; to make and file objections, protests, claims for abatement, refund or credit in relation to any such tax proposed, levied or paid; to signify, as may

be required by Section 2513 of the United States Internal Revenue Code of 1986; as amended, or any corresponding section of any future United States law; to represent me and to institute and prosecute proceedings in court or before any administrative authority to contest any such tax in whole or in part or for the recovery of any amount paid in respect of any such tax, or to defend or settle any amount paid in respect of any such tax, to give full and final receipt for any refund or credit and to endorse and collect any check or other voucher therefor; to pay any and all such taxes and any interest, penalty, or other additional amounts, to employ attorneys, accountants, or other representatives and grant powers of attorney or letters of appointment thereof for any of the purposes aforesaid; further, in particular regard to the Internal Revenue Service of the United States of America, I give and grant to my attorney-in-fact, full, complete, and unrestricted authority to represent me before any office of the Internal Revenue Service, in regard to all types of taxes with which said Internal Revenue Service deals, including but not limited to the personal income tax, any other employment taxes, estate taxes, fiduciary income taxes, personal property, real property, and any other taxes now or hereafter administered by said Internal Revenue Service; further including but not limited to federal tax forms 706, 1040, 1041, and 2848, and all variations or replacements of each, and all schedules associated with each; all of the foregoing authority to represent me before the Internal Revenue Service is given and granted by me for each tax year or period beginning, and/or covering, and/or ending in any year from and including A. D. 1979 to and including A. UNLESS YOU DIRECT OTHERWISE ABOVE OR BELOW, THIS POWER OF ATTORNEY IS EFFECTIVE IMMEDIATELY AND WILL CONTINUE UNTIL IT IS REVOKED.

CHOOSE ONE OF THE FOLLOWING ALTERNATIVES BY CROSSING OUT THE ALTERNATIVE NOT CHOSEN:

g/w (A) This power of attorney is not affected by my subsequent disability or incapacity.

(B) ~~This power of attorney becomes effective only upon my subsequent disability or incapacity.~~

YOU SHOULD CHOOSE ALTERNATIVE (A) IF THIS POWER OF ATTORNEY IS TO BECOME EFFECTIVE IMMEDIATELY ON THE DATE IT IS EXECUTED.

IF NEITHER (A) NOR (B) IS CROSSED OUT, IT WILL BE ASSUMED THAT YOU CHOSE ALTERNATIVE (A).

If Alternative (B) is chosen and a definition of my disability or incapacity is not contained in this power of attorney, I shall be considered disabled or incapacitated for purposes of this power of attorney if a physician certifies in writing at a date later than the date this power of attorney is executed that, based on the physician's medical examination of me, I am mentally incapable of managing my financial affairs. I authorize the physician who examines me for this purpose to disclose my physical or mental condition to another person for purposes of this power of attorney. A third party who accepts this power of attorney is fully protected from any action taken under this power of attorney that is based on the determination made by a physician of my disability or incapacity.

~~Third Party Reliance: I agree that any third party who relies on this document may do so under the delegation of the durable power of attorney and the attorney's sole authority to do the things that are done in this power of attorney and not on the basis of any independent authority that may be given to my attorney in fact.~~

Self Dealing: Any of my attorneys in fact, so long as he exercises good faith while acting as one of my attorneys in fact, shall have the power to make contracts and have dealings with himself individually or with any person or entity regardless of any relationship of the person or entity to any of my attorneys in fact. Any of my attorneys in fact, or any entity owned (directly or indirectly, wholly or partially) or controlled by any of them, may individually or jointly engage in or own an interest in other business ventures of every nature and description and in any vicinity whatsoever and I shall not have any rights in and to any such interest and to any profits therefrom. Any such independent activity may be undertaken by any of my attorneys in fact with or without notice to or participation by me.

Indemnify Attorney: I hereby ratify and confirm all that my attorneys in fact shall lawfully do or cause to be done by virtue of this power of attorney and the rights and powers granted herein. I hereby bind myself to indemnify my attorneys in fact who shall so act against any and all claims, demands, losses, damages, actions and causes of action, including expenses, costs and reasonable attorney's fees which my attorneys in fact at any time may sustain or incur in connection with the carrying out of the authority granted to my attorneys in fact in this power of attorney.

Construe as "Statutory Durable Power of Attorney": Although this instrument contains modifications of the statutory durable power of attorney form found in Tex. Prob. Code Ann. § 490, I intend for it to be a "statutory durable power of attorney" as provided in that section and to be construed as such.
